

Website report to the 2021 AGM

This year, the website has been bedded in so to speak.

It also has sofia.org.nz as it's web address, however, sof.org.nz still works, and will continue to work indefinitely) but now points to sof.org.nz

I have noticed that a lot of the recent (last 5 or so years) worth of book reviews had not made it into the website before it was revamped. I have gone back over the newsletters (which caused many very interesting side journeys into the past as my eyes caught interesting articles I just had to read!) and back loaded them.

Below are the number of visits to the new website during 2020. Compare that to this years stats underneath and you can see it is fairly significant.

Visitors come from all over the world. Mainly from NZ of course but search engines make us visible to the whole world which is good!
